Chiefly Speaking

Throughout the time that I've been in the O.A. I've seen so many Lodge Chiefs and the rest of the lodge officers do an incredible job for their time they've given. With me becoming a Vice Chief I've realized something, there are only good lodge officers if we have good chapters. The chapters are what makes a lodge successful in their goals and accomplishments. And it seems not just to me but the other lodge officers are so appreciative and grateful for all the work that not just your chapter chiefs do but the chapter as a whole do. Because let's face it, our lodge is only growing because of your dedication to our lodge. Because we as lodge officers can plan fun activities but this is your program, you only get what hard work you put into it. I want to say again representing all the lodge officers, thank you for making our lodge successful.

Riddle Me This

Answer to last riddle: If you are a mouse

I have lakes but no water,
No cars but I have streets;
Many places and borders,
But I'm in one piece.

What am I?
